

SCIENCE ALIVE

**Saturday, February 11
10 a.m. - 4 p.m. | Main Library**

Inspire young minds to explore science, technology, engineering and math through hands-on demonstrations and exhibits from local organizations. Meet scientists, naturalists and conservationists that are making a difference in our community, with exhibits by Notre Dame Energy, St. Joseph County Parks, Riverbend Community Math Center, Boys & Girls Clubs of St. Joe County, St. Joseph County Water and Soil Conservation District, Notre Dame QuarkNet Center, Notre Dame Math, Chemistry, Biochemistry, Notre Dame Association of Women in Science, IUSB Physics, Anthropology, Biology and Chemistry, IUSB Center for a Sustainable Future, Smoke Free St. Joe, Studebaker National Museum and more local organizations.

Stage Shows

10:30 a.m. Storm Team 16

Prepare to be mesmerized by WNDU's First Alert Weather Team as they share the inside scoop on how weather changes are predicted.

11:30 a.m. & 12:30 p.m. Silly Safaris

A Silly Safaris LIVE Animal Show is the perfect blend of fact, fun, and humor for all ages. Enjoy a variety of reptiles, mammals, birds and bugs for an experience everyone will remember.

1:30 p.m. No Snow Day for the Brain

Join Self-Healing Communities of Michiana to explore our amazing brains through a fun story about a brother and sister on a snow day adventure.

3 p.m. Kaboomistry with the Michigan Science Center

Why do things explode? Learn about the relationships between pressure, temperature, and fuel to explain why things go KA-BOOM! We'll mix physics and chemistry to get some loud, flashy effects!
